

Cannon Upper School Students,

Bravo on a tremendous year and we wish you a fabulous summer of restoration. In many ways it was a reset for our culture. Our journey included a regime of mask enforcement, followed by a mask-optional environment. Only the class of 2022 was able to go on a class trip. However, we returned to many fun events, like House Games and House Day of Service, full community meetings, and well-attended sports events, including some state championships! We are busy planning for a tremendous 2022-2023!

For many of you, this will be your first year in the Upper School at Cannon. Whether you're coming from another school, another state, or Cannon's Middle School, we are excited to get to know you.

While you still have plenty of time to enjoy the summer and relax, we wanted you to be aware of a few things as well as resources that may help you prepare for August 18 (or August 17th if you are new to the Upper School).

- Here's the link to the [Back-to-School](#) page.
- For new-to-Cannon and new-to-the-Upper School, we would recommend the [New Family Resources](#) page.
- **Class of 2026**, please purchase a new copy of the book, [Strengthsfinder 2.0](#) by Tim Rath and [go here](#).
- Follow us on Instagram @CannonUpperSchool (students and parents).
- Student schedules and Advisory assignments will be made available in August.

Enjoy yourselves! More in July...

The Dean Team

Mr. Tom Booker, Class of 2026 tbooker@cannonschool.org

Ms. Michelle Zelaya, Class of 2023 mzelaya@cannonschool.org

Mr. Chris Williams, Class of 2024 clwilliams@cannonschool.org

Mr. Joe Trojan, Class of 2025 jtrojan@cannonschool.org
